NEW ENDORSED

Re: United States v. Rakim Brown, S1 19 Cr. 513 (SHS)

Dear Judge Stein:

The Government writes in connection with the defendant's motions to suppress currently pending before the Court in the above-captioned case. (Dkt. Nos. 86-89 (motion to suppress evidence from August 5, 2016 and December 7, 2017 searches), 111-117 (motion to suppress evidence from January 20, 2016 search)).

First, consistent with the schedule previously entered by the Court, (see <u>Dkt</u>, <u>No. 102</u>), the Government writes to request until April 10, 2021 to file its opposition to the defendant's motion to suppress evidence from the January 20, 2016 search.

Second, the Government requests, with the consent of defense counsel, that the suppression hearing (the "Hearing"), currently scheduled for April 12, 2021, be rescheduled to a date in late-June 2021. Two of the witnesses that the Government intends to call at the Hearing are unavailable on April 12 due to personal commitments. In addition, the Government understands that defense counsel would prefer a date in late-June 2021 for the Hearing in light of other professional commitments. The parties are available to discuss at the Court's convenience.

Respectfully submitted,

AUDREY STRAUSS United States Attorney
